## PERTH THEATRE TRUST ANNUAL REPORT 2008-2009

In accordance with Section 61 of the *Financial Management Act 2006*, we hereby submit for your information and presentation to Parliament, the Annual Report of the Perth Theatre Trust for the financial year ended 30 June 2009.

The Annual Report has been prepared in accordance with the provisions of the *Financial Management Act 2006*.

## CHAIRMAN'S REPORT

In last year's Annual report I signalled the intention of the Board to rebuild and reposition the Trust. As we have moved forward over the past 12 months I am very pleased and excited about the progress that the organisation has made and the opportunities that lie ahead.

The planning and strategic thinking that the Board and management have been working on was realised when the Minister for Culture and the Arts launched the Perth Theatre Trust's Strategic Plan titled *Showtime* on 1 July, 2009.

This is the first time the Perth Theatre Trust (PTT) has set out its strategic direction and vision outside its annual reporting format to the Minister and Parliament and this is vitally important to the Trust as we move forward. This longer term vision is critical because of the nature of our work and the portfolio of assets the State entrusts Perth Theatre Trust with.

Our vision is for the Trust to more actively promote and develop performing arts and entertainment that are accessible to all, through excellence in venue management and programming.

The strategic plan for the next five years will be implemented in two stages.

Stage one, *Setting the Scene*, is about completing the preconditions necessary for the repositioning and rebuilding of the Trust over the next two years.

With the appointment of a new Board and Alan Ferris as General Manager last year, Perth Theatre Trust has spent the past 18 months developing a better understanding of the business and the relationships with our stakeholders and partners.

The focus of the Perth Theatre Trust is now on implementing some of the key building blocks for Stage One of *Showtime*.

One of these is the BOCS ticketing system, which was upgraded in 2008. Perth Theatre Trust has invested heavily in the technology to better meet the ticketing and marketing needs of client organisations. This investment will be ongoing.

Perth Theatre Trust is reviewing all our assets and updating our asset register to obtain a proper understanding of what has to be done to achieve a preventative maintenance mode.

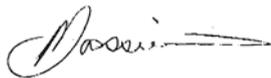

Once a strong foundation is in place, PTT will launch into Stage Two of the implementation of *Showtime*, which we have titled *On with the Show*.

This Stage will see a repositioned Trust operating as a proactive organisation that adds significant value to the arts and entertainment sectors.

The development of the Strategic Plan has been a significant undertaking in the financial year but there have been many other highlights which are elaborated upon in the General Manager's foreword and in the body of the report.

I would like to take this opportunity to thank the General Manager and the Board members who have worked extremely hard in assisting me in delivering our achievements over the past 12 months. I would also like to thank Allanah Lucas the Director General of the Department of Culture and the Arts for her continuing strong support of the Trust.

I thank all PTT staff and our venue operations manager AEG Ogden (Perth), for their continued support and professionalism in successfully delivering the achievements outlined in this annual report.

## GENERAL MANAGER FOREWORD

The 2008-2009 year has been very busy for Perth Theatre Trust. On 1 July, 2009 the Minister for Culture and the Arts, John Day launched Perth Theatre Trust's strategic plan titled *Showtime* at Subiaco Arts Centre. The development of a Strategic Plan for the Trust has been a key initiative for the Board over the past 12 months.

There is much to look forward to and as General Manager of Perth Theatre Trust I am very excited about *Showtime* and the clear direction the Trust will be taking over the next five years.

*Showtime* is a two act plan with the implementation of the first stage already underway. This first stage will see the repositioning and rebuilding of the Trust so that it has a solid foundation from which to move forward. The second stage will see the Trust reestablished as a key arts organisation that will add significant value to the arts and entertainment sectors, both locally and nationally.

Perth Theatre Trust will continue to invest in infrastructure with the implementation of new venue management software. This software will improve many of the processes, which are currently only partly automated, and is necessary to meet the demands of operating venues efficiently.

BOCS will continue to undergo change. Whilst Perth Theatre Trust has invested in new software it now needs to invest in the people to ensure that it reaps the benefits of this investment for our clients and the Trust.

In relation to capital expenditure a number of key projects were completed or commenced during the financial year. The Trust has 14 capital projects underway with a total cost of \$4.5m. Some of the projects completed include the replacement of the carpet at His Majesty's Theatre (HMT) and the purchase of the new Steinway piano for the Perth Concert Hall (PCH). Progress has also been made on the replacement of the seats at PCH and the upgrade of the audio visual systems at both PCH and HMT.

All of the improvements to the information systems and the key components of the venues are essential to improve the quality of experience the patrons enjoy at our venues.

Progress is also continuing on the construction of the State Theatre Centre of Western Australia located in Northbridge. The State Theatre Centre will feature the 575 seat Heath Ledger Theatre; a 200 seat flexible studio space, Courtyard space and two spacious rehearsal rooms. This venue will be a much needed addition to Perth's range of performing arts venues and will be managed on behalf of the Trust by AEG Ogden (Perth) Pty Ltd.

This year the Trust has continued to support projects such as the *Brainbox* Project at Downstairs at the *Maj*, *Majkids* and *Maj Monologues*. These programs provide significant opportunities to young up-and-coming artists to develop their skills.

The Trust also presented *Edward Scissorhands*, *Ying Tong* and *The Alchemist*. Next year the Trust, in partnership with the City of Perth, is very excited about presenting the London Philharmonic Orchestra at Perth Concert Hall in October 2009.

In moving forward to next year I will continue to work with key stakeholders in a positive manner to ensure that the Trust is delivering through its venues, and through BOCS Ticketing a level of service that is valued by all.

I thank the PTT Board and staff for their support and significant contribution and achievements over the past year. I also thank AEG Ogden (Perth) who continue to work positively with the Trust and the sector in managing the PTT venues.

## EXECUTIVE SUMMARY

### Operations of the Perth Theatre Trust

Perth Theatre Trust (PTT) as established by the *Perth Theatre Trust Act 1979* is responsible for the care, control, management, maintenance, operation and improvement of theatres under its control. The theatres and venues currently under the control of PTT are:

- His Majesty's Theatre (Government owned)
- Perth Concert Hall (leased from City of Perth)
- Subiaco Arts Centre (leased from City of Subiaco)
- The Playhouse Theatre (leased from Diocese of Perth)

The Trust will also be responsible for the operations and management of the State Theatre Centre of Western Australia (STCWA), which is currently being constructed in Northbridge on the corner of Roe and William Streets.

The venues are actively used by various local, national and international professional and amateur performing arts companies, performers and artists. Schools and children's performances and activities are also presented at these venues.

The venues are managed on behalf of PTT by AEG Ogden (Perth) Pty Ltd through a Management Agreement. AEG Ogden (Perth) as venue managers for PTT is responsible for ensuring the venues' operations and facilities are managed within budget allocations and achieve performance indicators.

The Trust is also responsible for the management of BOCS Ticketing and Marketing (BOCS). BOCS provides an effective and efficient ticketing system that offers a wide range of access to events.

PTT's mission is to maximise the effectiveness of the performing arts resources under its control to enhance the cultural and economic life of Western Australia.

The objectives of PTT are:

- To provide high quality venues and services to maximise the cultural and public use of the venues managed by the Trust.
- To provide an efficient ticketing and information service to facilitate access to the Trust's performing arts venues and targeted marketing information to performing arts companies.
- To ensure efficiency and effectiveness of its management practices.

## Major Achievements 2008-2009

- Continued the promotion and presentation of the national flagship performing arts companies for WA audiences. This included Bell Shakespeare Company and the Sydney Dance Company.
- In conjunction with the Department of Culture and Arts continued with the planning for the operational management of the STCWA.
- The State Government invested over \$4.5million in the PTT heritage listed venues - the Perth Concert Hall (PCH) and His Majesty's Theatre (HMT). The PCH seat replacement was initiated and HMT carpets were replaced in the public areas. The upgraded equipment for both venues was tendered with installation scheduled for August 2009.
- State-of-the-art international quality grand piano purchased for concert performance use at PCH. This is a significant acquisition for the venue's ongoing international artistic reputation.
- Successful involvement in Australian and New Zealand Performing Arts Centres (OZPAC) Programming Touring Circuit with *Edward Scissorhands* at HMT in July 2008, achieving 81 per cent attendance.
- Presentation of *Bangarra Dance Company* for the first time in May 2009 at HMT.
- Successful continuation and expansion of musical program at PCH in association with OZPAC touring circuit.
- Continued audience success of *Brainbox Project DownStairs* at the Maj (DSATM) offering increased employment to the local arts industry.
- New joint program initiatives for the first time with Black Swan State Theatre Company at HMT and the Subiaco Arts Centre (SAC).
- Perth International Arts Festival season *War of the Roses*, starring Cate Blanchett, played to 90 percent attendance in February and March 2009 at HMT.
- BOCS Ticketing implemented new software to significantly improve ticketing and marketing services.

## Future Directions

The PTT has operated in an uncertain environment, this is largely due to a 2002 Cabinet decision to abolish the Trust and absorb its functions into the Department of Culture and the Arts. This decision, which followed a review of all statutory authorities as part of the Machinery of Government report's recommendations, was never enacted and Government has now reendorsed the PTT's role as a statutory authority.

In the reporting year, PTT developed a Strategic Plan 2009-2014 - *Showtime*, for implementation. This plan will be implemented in two stages:

Act One: *Setting the Scene* - repositioning and rebuilding of PTT as a key arts agency. This is expected to take approximately two years.

Act Two: *On with the Show* - a reestablished PTT that adds significant value to the arts and entertainment sectors in Western Australia and nationally.

Act One, *Setting the scene*, will see the necessary repositioning and rebuilding to enable the Trust to achieve the vision of being recognised as an arts and entertainment development leader by a community that values entertainment and the arts in our State and nationally. Act One will also see the Trust focus on best practice governance and business systems and processes. It is anticipated that Act one will take up to two years to implement.

With a strong foundation in place, Act two, *On with the Show*, will see the Trust reestablished and operating as a proactive, responsive organisation that adds significant value to the arts and entertainment sectors in our State and nationally.

This is an exciting time for the PTT as in addition to executing the strategies outlined in *Showtime*. In 2009 PTT will celebrate it's 30<sup>th</sup> year of operations and establishment of the *Perth Theatre Trust Act 1979*.

An important future direction encompassed in the Strategic Plan is the management responsibility of the State Theatre Centre of Western Australia (STCWA) venue in Northbridge, with the venue scheduled to open in 2010.

The Trust will continue the promotion and presentation of the national flagship performing arts companies for WA audiences. This will include Bell Shakespeare Company, Sydney Dance Company, and new initiatives with the Australian Ballet and Bangarra Dance Company. This initiative creates an opportunity for audience development and national links.

## Issues and Trends

- The national downturn in touring performing arts products continues with a decreased number of events available for touring.
- Concern at the structural integrity of the HMT building.
- Increasing involvement in management preparations for the new STCWA.

### Key Performance Indicators Overview

The number of events across venues was 956 in 2008-2009. This represents a 16percent decrease on last year's events. While this is a decrease on the actual number of events the result is greater than the anticipated estimate of 798 events. The global financial crisis impact was less than anticipated for the reporting year.

The decreased number of events resulted in a 8.5percent decline in attendance compared to 2007-2008.

Measures	2005-06	2006-07	2007-08	2008-09
Number of performances at Trust venues	678	892	1,139	956
Number of attendances at Trust venues	381,090	430,350	455,137	416,067

Note: While 2006-07 represents a significant increase in attendances of 49,260, the greater part of this increase (35,433) is due to events at the SAC following the venue's reopening in July 2006.

## OPERATIONAL STRUCTURE

### Mission Statement

The Perth Theatre Trust's mission is to maximise the effectiveness of the performing arts resources under its control to enhance the cultural and economic life of Western Australia.

### Objectives

The objectives of the PTT are:

- To provide high quality venues and services to maximise the cultural and public use of the venues managed by the Trust.
- To provide an efficient ticketing and information service to facilitate access to the Trust's performing arts venues and to provide targeted marketing information to performing arts companies.
- To ensure efficiency and effectiveness of its management practices.

### Role of the Trust

The Trust was established and constituted under the *Perth Theatre Trust Act 1979* to manage and operate theatres vested in or leased to or under its control. The Minister responsible is the Hon John Day Minister for Planning; Culture and the Arts.

The Perth Theatre Trust is responsible for the operation of a number of performing arts venues in Perth in conjunction with the managing of BOCS Ticketing and Marketing Services. The Trust also actively participates in presenting or coproducing events in its theatres, and provides a range of theatre-related services to customers and hirers. The Trust operates as a portfolio organisation of the Department of Culture and the Arts (DCA) with a number of the corporate service requirements of the Trust being provided through the Department.

The four major performing arts venues - His Majesty's Theatre, Perth Concert Hall, Subiaco Arts Centre and The Playhouse Theatre are managed by the external service provider, AEG Ogden (Perth) Pty Ltd, operating as the agent of the Trust. The Trust's role is one of managing the contract and monitoring performance in accordance with contract requirements, including the agreed service levels. This arrangement is consistent with the legislation governing the Trust's operations.

Throughout 2007-2008, the Trust copresented a number of performing arts productions in its theatres. The contractual arrangement with AEG Ogden (Perth) Pty Ltd supports this activity.

The Trust manages the BOCS Ticketing and Marketing Service, which provides ticketing services for events encompassing all aspects of entertainment within Perth.

The Performing Arts Centre Society provided day-to-day management and operational requirements for Rechabites Hall under a separate agreement until March 2009.

## Performance Management Framework - Government Goals

### State Building - Major Projects

Building strategic infrastructure that will create jobs and underpin Western Australia's long-term economic development.

## VENUE MANAGEMENT - AEG OGDEN (PERTH) PTY LTD

As agent for Perth Theatre Trust, AEG Ogden (Perth) Pty Ltd manages the PCH, HMT, SAC and PLY. In January 2008 Ogden International Facilities Corporation became AEG Ogden Pty Ltd, having sold a part of the company to the USA entertainment and venue management company Anschutz Entertainment Group (AEG).

On 1 July, 2009, AEG Ogden (Perth) will enter the final five year period of the current Management Agreement with the Perth Theatre Trust.

Monthly formal contract meetings occur between AEG Ogden (Perth) Pty Ltd senior staff and the Perth Theatre Trust. Regular ongoing contact and communication at senior level also occurs between these meetings. The AEG Ogden (Perth) Chief Executive, General Manager Corporate Services, appropriate venue General Managers and the Marketing and Development Manager attend PTT Programming Committee meetings. All reports due to the PTT under the Management Agreement were provided within agreed timelines. AEG Ogden (Perth) continues to be a certified quality assured company, through SAI Global Ltd.

The Output Based Measurements (OBMs) and attendances have exceeded budgeted estimates for the year. Overall 956 events were presented on the venue stages against a target of 798 events. Perth's dynamic overall growth and booming economy has positively impacted on the performing arts for most of the period under review.

The major hirers of the venues, West Australian Ballet, West Australian Opera, West Australian Symphony Orchestra, Perth Theatre Company, Barking Gecko Theatre Company, Black Swan State Theatre Company and the Perth International Arts Festival (PIAF), all continued to utilise the PTT's venues at the same or increased levels compared to previous years. The exception was PIAF, whose bookings at the PCH decreased.

Ongoing direct communication has been maintained, in a limited national market, with the country's major performing arts and entertainment promoters and presenters to ensure maximum additional utilisation of our venues.

In addition, involvement and networking by AEG Ogden (Perth) senior management with important performing arts venue managements nationally and internationally continues. AEG Ogden (Perth) is an active member of the following organisations and associations:

AAPPAC	Association of Asia Pacific Performing Arts Centres
ABTT	Association of British Theatre Technicians
APACA	Australian Performing Arts Centres Association
LPA	Live Performance Australia
OZPAC	Australian/New Zealand Capital Cities Performing Arts Centres
VMA	Venue Management Association (Pacific Chapter).

The Chief Executive, AEG Ogden (Perth) is a member of the LPA Board and attends the VMA conference. Senior management across the venues represented the Perth operation at the APACA annual conference in Adelaide and at various OZPAC specialised committees on programming, technical staging, marketing and personnel.

The Museum of Performing Arts at HMT is a full member of Museums of Australia Performing Arts Special Interest Group (PASIG) and actively participates in its national activities and initiatives.

In 2009, AEG Ogden (Perth) Food and Beverage Division, Creating Events with Style, won a number of national and State level awards at the annual Restaurant and Catering Industry award ceremony.

The State Government's new State Theatre Centre of Western Australia, currently being built in Northbridge, will be a PTT venue with management undertaken by AEG Ogden (Perth). Senior AEG Ogden (Perth) management are engaged in key aspects of the construction finalisation and planning.

Capital works funding (including major support funding from the City of Perth for the PCH) has enabled a number of important projects to be undertaken across the venues including; air conditioning, electrical, safety equipment, carpeting, roof repairs and the stage flying system at HMT. Of particular note is the joint State Government and City of Perth funding for the replacement of all the PCH seating, scheduled for early 2010.

In May 2009, the State Government announced funding for a major refurbishment of the façade of HMT. This project will continue into 2010.

## MAJOR EVENTS

One of the major highlights of the year for PCH was the *Songs from the Labyrinth* concert, which featured legendary performer Sting and esteemed lutenist, Edin Karamazov, presenting a tribute to John Dowland, a 16th century composer. In addition, the popular comedian Tim Minchin returned to Perth and unveiled his latest tour at PCH to appreciative audiences.

Perth International Arts Festival (PIAF) utilised the PLY to present two memorable productions in 2009: from Ireland the Druid Theatre's production of *The New Electric Ballroom* and London-based Company 1927's *Between the Devil and the Deep Blue Sea*.

In January 2009, the PLY partnered with Performing Lines WA to present *Questions Without Notice*, a multi-media dance work choreographed by Sue Peacock. *Questions Without Notice* was the first production to be mounted under the DCA and the Australia Council for the Arts' initiative, to provide Management and Production Services (MAPS) to independent theatre and dance groups in WA.

HMT hosted the first ever national OZPAC produced tour of the dance drama, *Edward Scissorhands* in July 2008; a short season of renowned British actor Steven Berkoff's solo performance and the first season in many years of the

Bangarra Dance Theatre. The year also featured the PIAF presentations of *The War of the Roses* and the Geneva Ballet Company.

At SAC, an adaptation of Tim Winton's *Cloudstreet* was presented by the Western Australian Academy of Performing Arts (WAAPA) to full houses. Directed by Kate Cherry, Artistic Director of Black Swan State Theatre Company, the event showcased WAAPA talent and was critically acclaimed. In addition, as part of PIAF, the ThinIce theatre company presented *Antigone*. Directed by Matt Lutton, the show demonstrated new levels of technical innovation in the venue.

The partnership between HMT Foundation and Western Australian property group Hawaiian was instrumental in achieving recognition through the Brainbox Project for the play *The Mercy Seat* by contemporary American playwright, Neil LaBute. The review and feedback received by LaBute's agent in New York, and Samuel French in London about the quality and success of the production has led to them jointly granting full Australian rights to HMT for future seasons of the play.

## HIGHLIGHTS

Attendances at the PTT venues in 2008-2009 totalled 416,067.

The number of performances in this period totalled 956.

## Performance Diversity at Perth Theatre Trust Venues 2008-2009

The following table represents the diversity of performances presented in PTT venues, as a percentage of total performances. The Trust's aim is to promote a diverse and varied program of events to Western Australian audiences.

Even in years of lower overall activity, PTT aims to preserve this diversity by copresenting selected productions to augment the event program. Some copresentations are not budgeted on a total cost-recovery basis. Comparisons over time indicate that a diverse range of events have been presented.

## **PERTH CONCERT HALL**

The overall number of events at the venue showed a minor decrease from the previous year. There was a moderate increase in audience attendance and this could be attributed to a careful approach by promoters to the number of events they are staging. Audiences continued to purchase tickets to quality events despite the current economic downturn.

The number of classical music events has decreased, while the number of rock, pop and comedy events has increased. Educational events have increased slightly with the demand high for dates for at end of calendar year.

The occupancy rate for the auditorium was 72 per cent. This figure exceeded the target of 70 per cent.

There was a slight decrease in the amount of West Australian Symphony Orchestra (WASO) rehearsals staged at the venue although the demand by other hirers for dates remained high. Rehearsal days in the venue put a limit on revenue generating opportunities associated with food and beverage sales and continue to have a detrimental effect on overall income potential at the venue.

The assistance from the City of Perth during the course of the year has been appreciated by venue management. Both the administration and Council have shown dedication and support for the venue in various forms, including capital projects and financial sponsorship.

The shift in the economic climate has been noticeable in terms of casual staff employment. The turnover rate has decreased significantly in both backstage and front-of-house staff. This stable staff base has provided a steady environment for promoters and patrons and an improvement to the working environment.

The relationship with the OZPAC coalition of major performing arts centres in Australia and New Zealand continued to thrive, and relationships with interstate and international promoters continued to be developed.

## **MAJOR ACHIEVEMENTS**

The venue underwent major external concrete remediation works throughout the year and these were completed in February 2009. The project was funded by the City of Perth. Venue management, contractors, engineers, the City of Perth and Heritage Council of Western Australia were involved in the coordination of this sensitive project. Business continued as usual during the project and venue management worked to ensure that there was minimal disruption to clients and patrons. No client or event was cancelled or lost as a result of the works.

The *2009 Summer Series* was once again presented by PCH in conjunction with the Perth Theatre Trust. The event was moved to the Government House Ballroom in preparation for the potential installation of the new auditorium seating at the PCH. Although the installation of the new seats was subsequently held over until 2010, the recitals at the ballroom were a great success with three of the four concerts sold out. The aim of bringing quality solo recitals to Perth audiences showcasing local, national and international talent during the post Christmas holiday period continues successfully and has raised the Perth Theatre Trust's profile considerably.

The successful initiative to bring to Western Australian audiences the London Philharmonic Orchestra for two performances is scheduled for October 2009. This initiative is supported by the PTT and the City of Perth.

### HIGHLIGHTS

The procurement of a new Steinway concert grand piano was perhaps the key highlight in the year. The delivery and subsequent debut of the piano was an important milestone for the venue, patrons and clients alike. PCH, in conjunction with the PTT, launched the new instrument with a wonderful recital by the winner of the *2008 Sydney International Piano Competition*, Konstantin Shamray. Over 1,300 people attended the concert.

The relationship with the PCH in Perth, Scotland, strengthened further. This year the staff exchange and development program continued and another member of staff from PCH, Scotland, spent time at the sister venue in WA. The UK lighting technician spent time with AEG Ogden (Perth) technical departments and benefited from the diverse events and involvement. The two venues continue to communicate on a regular basis and there are plans progressing toward cultural exchanges and continued staff development opportunities that will enhance the professional industry in both cities.

### MAJOR EVENTS

One of the major events of the year was undoubtedly the *Songs from the Labyrinth* concert, which featured legendary performer Sting and esteemed lutenist, Edin Karamazov, presenting a tribute to John Dowland, a 16<sup>th</sup> century composer.

WASO presented a successful season and welcomed new Principal Conductor Paul Daniel in a series of highly-publicised and well-attended concerts. International guest artists included Alexey Yemtsov, Kirill Karabits, Kyoko Takezawa and Ewa Kupiec.

The Australian Chamber Orchestra once again attracted enthusiastic audiences with its choice of artists and a distinctive season program. Featured artist Dawn Upshaw left the audience spellbound with a concert that was deemed a major artistic success.

Musica Viva continued its long tradition of presenting the world's best in chamber ensembles including the acclaimed Russian pianist Katia Skanavi and Gidon Kremer who appeared with his own chamber orchestra Kremerate Baltica.

Comedy events were a popular part of the venue program during the year. Perth-born comedian Tim Minchin returned to Perth with his latest tour. Fresh from critical acclaim in the UK, the quirky comedian sold out four shows. Popular English comedian Lenny Henry returned for two successful events and another Perth-born comedian, Rove McManus, returned to PCH for another successful four-night season.

Contemporary concerts included the acclaimed Tina Arena, popular artist David Campbell and Welsh singer Aled Jones. Lady Smith Black Mambazo, the Treorchy Welsh Choir and Karolos Voutsinas were among some of the numerous international artists featured at the venue.

Patrons of the venue were again treated to a broad range of visual artwork which was displayed throughout the various galleries. Venue management continued its ongoing associations with various presenting galleries which rotated quality artwork throughout the venue during the year. These galleries and curatorial organisations included:

- Ainslie Gatt Art Consultancy;
- Artbank;
- Fremantle Arts Centre; and
- Gadfly Gallery

#### **SUMMARY**

The past year was very successful on a number of levels: it has reinforced PCH's international standing as a fine arts concert hall while delivering a very diverse and rich performance program that has appealed to many sectors of the community.

While there have been challenging economic circumstances, there has been continued strong support for the performing arts in WA and at PCH particularly.

The PCH has successfully met its broad mandate to provide a performing home for WASO and other fine arts companies, while providing a vibrant mix of alternative performances for the community.

## HIS MAJESTY'S THEATRE

### HIS MAJESTY'S THEATRE

#### INTRODUCTION

His Majesty's Theatre (HMT) has become one of Western Australia's most-loved heritage icons since its opening in 1904. It is believed to be the only remaining working Edwardian theatre in Australia, and is one of only two His Majesty's Theatres in the world. The auditorium of HMT features three seating levels in a traditional theatrical horseshoe arrangement and seats 1,200 patrons. The venue has been host to a remarkable cavalcade of artists over the last century.

#### MAJOR ACHIEVEMENTS

HMT has benefited from a diverse and high quality artistic program over the past financial year. A total of 235 performances were presented throughout the venue's three performance spaces, which were attended by 120,724 patrons. High overall quality standards were achieved by the theatre's two resident companies, the West Australian Ballet and the West Australian Opera, accompanied by the West Australian Symphony Orchestra. Highlights of their seasons included a new production of the opera *Aida* and the ballet's *Nutcracker* and *Giselle*.

#### HIGHLIGHTS

A variety of other popular productions added to the theatre's successful year. This included the first ever national OZPAC-produced tour of the dance drama, *Edward Scissorhands* in July 2008; a short season of renowned British actor Steven Berkoff's solo performance and the first season in many years of the Bangarra Dance Theatre. The year also featured the Perth International Arts Festival presentations of *The War of the Roses* and the Geneva Ballet Company.

The success of the Brainbox Project DownStairs at the Maj, sponsored via HMT Foundation, has been a continuing highlight for primarily local talent to shine in a variety of artistic genres.

## PLAYHOUSE THEATRE

### INTRODUCTION

The Playhouse (PLY) is a traditional proscenium arch theatre with a forestage and an intimate raked auditorium seating 427. The theatre opened in 1956 as the home of the National Theatre Company Incorporated. The PTT has leased the venue since 1984.

PLY is the principal performance venue for Black Swan State Theatre Company. The theatre also houses Perth Theatre Company, a BOCS Ticketing outlet and subscription ticketing service.

### MAJOR ACHIEVEMENTS

Local and interstate hirers throughout 2008-2009 heavily utilised the theatre. The first four months of the year were particularly busy with the PLY occupancy being 97 per cent of the days available for hire.

Venue management successfully negotiated with Black Swan State Theatre Company, Perth Theatre Company and other hirers for the theatre's 900 Playcard holders to be able to obtain discount tickets to their productions at PLY in 2008-2009. Playcard holders were also able to obtain discounts for productions presented DownStairs at the Maj (DSATM).

### HIGHLIGHTS

Black Swan State Theatre Company presented four productions at PLY in 2008-2009. The standout production for many theatregoers was Tennessee Williams' *The Glass Menagerie*, directed by the company's new artistic director, Kate Cherry.

Perth Theatre Company presented *Taking Liberty* in September 2008. Written by Ingle Knight to commemorate the 25<sup>th</sup> Anniversary of the winning of the America's Cup, the production was to have been directed by Alan Becher. With Becher's untimely death, Neil Gladwin directed this stage production. The production featured a striking design by Shaun Gurton including a near life-size replica of Australia II on the Playhouse's stage.

Perth Theatre Company also presented a short season of Company B's (Belvoir Street Theatre, Sydney) acclaimed production of *The Seed* by former Perth based actress and playwright, Kate Mulvany. This was the first production at PLY to be sponsored by the City of Perth.

The Perth International Arts Festival chose PLY to present two memorable productions in 2009: from Ireland the Druid Theatre's production of *The New Electric Ballroom* and London-based Company 1927's *Between the Devil and the Deep Blue Sea*.

PLY assisted Steps Youth Dance Company (*Moonwebs and Scorched Thongs*, April 2009) and Buzz Dance Theatre (*Depth Charge*, May 2009) to showcase the work of emerging and established choreographers, designers and dancers, and to further develop audiences for contemporary dance.

## MAJOR EVENTS

In January 2009 PLY partnered with Performing Lines WA to present *Questions Without Notice*, a multi-media dance work choreographed by Sue Peacock. *Questions Without Notice* was the first production to be mounted under the DCA and the Australia Council for the Arts' initiative, to provide Management and Production Services (MAPS) to independent theatre and dance groups in WA.

Following an approach from Perth Theatre Company's new Artistic Director, Melissa Cantwell, PLY and Perth Theatre Company presented a reading on Sunday 15 February 2009 of Campion Decent's play *Embers* to raise funds for the Victorian Bushfire Appeal. PLY provided the venue free of charge and the staff donated their time, as did the actors. The event raised \$3,400.

Corporate hirers of PLY in 2008-2009 included: Hutchinson 3G Australia (3 Mobile); Chevron Australia; Independence Group NL; HBOS Australia and Westpac.

PLY acknowledges the support provided by Playcard partners: The Seasons of Perth Hotel, Miss Maud Swedish Smorgasbord Restaurant, Venezia Café Restaurant and Black Swan State Theatre Company.

## SUBIACO ARTS CENTRE

### INTRODUCTION

The Subiaco Arts Centre (SAC) is a multi-space venue incorporating a 305 seat corner stage theatre and 120 seat studio theatre. Other spaces are suited to a variety of community and arts-based uses such as rehearsals, acting workshops, art classes, ballet, dance, Pilates, yoga and auditions. The venue houses Barking Gecko Theatre Company as company in residence and a fulltime BOCS Ticketing outlet.

### MAJOR ACHIEVEMENTS

The SAC was extremely busy in both the theatre and community-based event areas. The theatres performed strongly with notable increases in usage and attendance in both the Main Auditorium and Studio. The community spaces at the centre continue to thrive, with bookings again increasing. Disability groups such as the Ethnic Disability Advocacy Centre and Women with Disabilities WA continue to be regular hirers of the venue, taking advantage of the building's excellent accessibility.

Numerous conferences, product launches and seminars were also held throughout the venue this year. Key to the year's successes was flexible staff offering high standards of service.

A new Kawai Baby Grand Piano was purchased for the venue. The addition of the piano has allowed the Centre to present for a far more diverse concert range, from jazz to classical.

The Main Auditorium benefited from a capital budget upgrade to the audio and lighting systems. This upgrade was delivered on budget and in a timely fashion. This has considerably improved the Centre's facilities for hirers and audience enjoyment.

A total of 364 events were presented in the Centre's three performance spaces, which were attended by 56,187 patrons.

The Main Auditorium and Studio continued to attract a diverse range of hirers, with youth being a strong focus.

### HIGHLIGHTS

An adaptation of Tim Winton's *Cloudstreet* was presented by WAAPA to full houses. Directed by Kate Cherry, Artistic Director of Black Swan State Theatre Company, the event showcased WAAPA talent and was a hit with audiences and critics alike. As part of the Perth International Arts Festival, the ThinIce theatre

company presented *Antigone*. Directed by Matt Lutton, the show demonstrated new levels of technical innovation in the venue.

## MAJOR EVENTS

The Sunday @ Subi series continued at the venue. All concerts were well attended with most of the twelve afternoon concerts playing to capacity houses. Theatre Tours Australia presented *Busting Out* to 10,669 patrons over a six week hire. The Australian Law Library held a week-long conference utilising many spaces and incorporating a large food and beverage component.

## HIS MAJESTY'S THEATRE FOUNDATION

### HIS MAJESTY'S THEATRE FOUNDATION

#### INTRODUCTION

His Majesty's Theatre Foundation was established in 1993 to enhance and promote His Majesty's Theatre as one of Australia's great theatrical landmarks, through support from donations, sponsorships, corporate partnerships and special events.

Each year the Foundation dedicates the results of its fundraising to projects in which all members of the community can participate.

The Foundation continued its commitment to supporting the Theatre's Community Service Programs including MajKidz, Morning Melodies, and the creative initiative DownStairs at the Maj - The Brainbox Project, which focuses on the development and production of new concepts and professional

productions for intimate theatre and cabaret. All the Community Service Programs provide work for predominantly-local performing arts professionals.

### **MAJOR ACHIEVEMENTS**

The partnership with His Majesty's Theatre Foundation and Hawaiian has paid a dividend by the recognition which has come from Samuel French in London to His Maj Brainbox Project for the play *The Mercy Seat* by American Playwright, Neil LaBute. The review and feedback received by LaBute's agent in New York and Samuel French in London about the quality and success of the production has led to jointly granting the full Australian rights to HMT for future seasons of the play.

This first international recognition and rights is a feather in the cap of The Brainbox Project Downstairs at The Maj proudly supported by Hawaiian.

### **HIGHLIGHTS**

The Brainbox Project in partnership with Perth Theatre Company launched a new mentorship program called *In The Chair* at the start of 2009.

The initiative has been made possible by the generous support of Western Australian property group Hawaiian. Because of Hawaiian's investment in the development of artistic talent in Western Australia, *In the Chair* will become an annual event for five new participants each year.

These participants are embarking on their professional careers and will receive peer support, access to performances across the performing arts spectrum and the opportunity to network with like-minded peers and industry professionals. This is a rare and valuable opportunity in what is a difficult and often very isolated profession.

### **FOUNDATION MAJOR PARTNERS**

Hawaiian's four year financial commitment of His Majesty's Theatre Foundation and the past 18months to Brainbox has enabled the DSATM program to expand to include over 240 staged performances, with 137 functions attracting over 26,000 mostly non-traditional theatre audiences. This includes a 'Maj Monologues Competition' that encourages the development of Performing Arts writers in Perth which this year attracted over 389 applications.

The partnership between Hawaiian and HMTF demonstrates how business and the arts can work together to achieve positive reputation, marketing, branding, employee relations, networking and community engagement. This partnership has enriched the community's cultural life by developing programs that touch multiple lives.

Curtin University proudly has the naming rights to the Lounge on the first floor of the theatre. The Curtin Lounge is a favourite private entertainment space for a number of businesses that have bought corporate entertainment packages, which assist the Foundation in raising profile and funds for development within HMT.

Longstanding partners include Optus and CSC Australia, through continued support of the entertainment package.

## PRODUCT SPONSORS

Wills Domain is the wine sponsor for DSATM.

## THE MUSEUM OF PERFORMING ARTS

The Museum of Performing Arts (MOPA) resides at HMT. The major five year project to catalogue the entire MOPA collection onto a competitive data base, accessible through the internet, is now in the final stages of completion with 80 per cent of the collection having been uploaded.

A total of 1,214 people visited the museum during 2008-2009. The Friends of HMT gave 31 guided tours (567 people) of the venue over the same period.

The year's public exhibitions were as follows:

- Exhibition No 33: June to August 2008 - *Having a Ball*
- Exhibition No 34: September to December 2008- *Girls! Girls! Girls!*
- Exhibition No 35: February to April 2009 - *Colonial Capers plus Swan River Saga*
- Exhibition No 36: April to May 2009 - *Burlington Berties*, a tribute to male impersonators including Effie Fellows
- Exhibition No 37: June to August 2009 - *ANZAC Coves* - the entertainers and the entertainments of WWI.

In addition to curating these major exhibitions, MOPA's Archivist responded to many individual enquiries from students, academics and the general public in connection with Western Australia's performing arts history.

In the past year there have been over 500 additions to the Collection. Purchases included:

- Scenes from WA melodrama, *The Duchess of Coolgardie* (a print taken from London Illustrated News 26 September, 1896).
- LP recording of performances at Frank Baden Powell's theatre restaurant "Dirty Dicks".
- LP recording of Opening Ceremony of British Empire and Commonwealth Games, Perry Lakes Stadium 1962.
- Sheet music, programmes and postcards from World War One entertainments (with the approach of the Centenary of ANZAC, this material is of huge significance).

Donations included: -

- Two representative costumes, along with masks from Barking Gecko Theatre Company.
- Two costumes worn by Benazir Hussein in WA Ballet's production of *Liaisons*.
- 17 WA Ballet costume designs by Leon Krasenstein, who now designs for The Australian Ballet.
- A collection of photos and ephemera from the contemporary dance company, Khoros (1970's).
- Photos of Perth nightclubs from the 1970s.
- A large cotton handkerchief from the Boer War, on which is printed Rudyard Kipling's poem, *Absent Minded Beggar*, set to music by Sir Arthur Sullivan.
- Electronic images of Black Swan State Theatre Company productions for the year 2008-2009.

## BOCS Ticketing and Marketing

2008-2009 was a significant year for BOCS Ticketing and Marketing.

This year saw the supply and implementation of the enta ticketing system. Implementing new technology does not come without challenges. BOCS Ticketing focus following implementation is to provide a comprehensive ticketing service.

BOCS will focus on increasing the synergy between ticket sales and Customer Relationship Management (CRM) services to assist clients in the development of audiences

BOCS is committed to meeting the needs of its clients and an organisational review has been undertaken during the reporting year. The outcomes will see a change to the structure of BOCS in the coming year focusing on the skill sets required to meet the objectives of BOCS.

A new look website was developed as part of the ticketing system upgrade. Further developments are currently underway to maintain and enhance the user friendly experience.

BOCS successfully ticketed a range of events during 2008-2009, with 954 events ticketed at 194 venues.

These included subscriptions for WA Ballet, WA Opera and the Perth Theatre Company. Other events included:

- *Beck's Music Box* - The Esplanade
- *Busting Out!* - SAC
- *Danny Bhoj* - HMT
- *Drum Tao* - PCH
- *Maj Monologues* - Downstairs at the Maj
- *The Glass Menagerie* - Playhouse Theatre
- *Wil Anderson* - Octagon Theatre

## State Theatre Centre of Western Australia

Construction of the State Theatre Centre of Western Australia (STCWA) is continuing. Located on the corner of Roe and William streets, the venue will be the centre-piece of the Performing Arts Precinct in the Perth Cultural Centre. The design includes the 575 seat *Heath Ledger Theatre*; the 200 seat flexible *Studio Underground*; *The Courtyard* - a multi-purpose outdoor event space, two rehearsal rooms and two flexible use private suites. This venue will be managed by the Perth Theatre Trust. In 2008-2009, the development of management and artistic programming policies has been progressed by the Trust and Department of Culture and the Arts.

Construction works have started on the resident company accommodation on William Street and work on the fly tower continues, once completed this will stand 29 meters above street level. Electrical and mechanical fit-out has commenced and procurement of the technical equipment is underway.

As venue managers for PTT venues, AEG Ogden (Perth) recruited for the position of General Manager for the Centre and Brendon Ellmer commenced in this role in January 2009. The positions of Deputy General Manager and Technical Manager have also been recruited for and these roles will commence in mid-late 2009.

The brand identity for The Centre was released in early 2009 and strongly reflects the iconic architectural design of the building.

The DCA and PTT are working closely with the resident (Black Swan State Theatre Company) and associate (Perth Theatre Company) to determine their requirements for easy transition into The Centre in 2010.

## RECHABITES HALL

The Rechabites Hall was transferred from the State Government of WA to East Perth Redevelopment Authority (EPRA) in November 2007. The management of the Hall by the Performing Arts Centre Society on behalf of the PTT ceased in March 2009. EPRA will seek expressions of interest for the future use and development of the Hall in the near future.

The Rechabites Hall operated as an alternative performing arts venue available for hire, at below commercial rates, to independent performing arts practitioners producing contemporary performance.

### Artist and Production Development

Primarily supporting the presentation and development of local, new, contemporary performance, five productions and three events, totaling 49 performances, were presented at The Rechabites' Hall between July 2008 and December 2008. In addition to supporting a diverse range of performances, the venue was made available to local producers for extended development and production prior to their public seasons.

The 2008 program (June - December) included:

- Three WA premiere productions;
- Two evenings of local burlesque presented by Sugar Blue;
- the Australian premiere of an indigenous theatre performance, *He Reo Aroha* by NZ theatre company Taweta Productions (produced in association with Yirra Yaakin as part of the 2008 Honoring Theatre Festival);
- A Polish community theatre production of a Spanish play, Lorca's *The House of Bernarda Alba*, by Scena 98;
- A national touring film event, *Trasharama* showcasing Australian independent short films; and
- A remount, commemorating the 50<sup>th</sup> anniversary of Pinter's contemporary classic *The Birthday Party*, produced by Lawson Productions.

In 2008-2009 there was reduced activity and audience attendance at Rechabites Hall with the venue decommissioned as a performing arts facility in March 2009. Uncertainty over the future management of the Hall during 2007 and 2008, contributed to a decline in new bookings and no new presentation relationships were entered into during this time.

The decommissioning of the venue was undertaken with support from PTT in March 2009.

## FOOD AND BEVERAGE DIVISION

### INTRODUCTION

Food and beverage services are provided to patrons at each of the Perth Theatre Trust's venues. Full event catering is provided through the cafés, restaurants, bars, function rooms and lounges.

There is uncertainty with the global economic crisis with an impact being a reduction in function business. There are some early indications that the economic crisis will impact on the employment market and result in higher calibre employees.

Additional to the website launch in 2007, for the Food and Beverage Division, 'Creating Events with Style' at [www.createingevents.com.au](http://www.createingevents.com.au), an e-newsletter was developed.

### MAJOR ACHIEVEMENTS

The Food and Beverage Division was announced the national winner in the categories of Australian Venue Caterer (PCH) at the Restaurant and Catering Australia National Awards for Excellence in 2008, held at the Brisbane Convention and Exhibition Centre in October.

At a State level the Food and Beverage Division was announced winner in the categories of Venue Caterer (PCH) and Employee of the Year Merit Certificate at the Restaurant and Catering Industry Association Awards for Excellence in 2009. This award offers automatic entry into the National Awards for Excellence as the Western Australian representative in the category of Venue Caterer. This is the eighth consecutive year of being awarded Best Venue Caterer at these industry awards.

In addition to the Restaurant and Catering awards, the Food and Beverage Division also achieved finalist status in the Venue Caterer Category in the 2008 Gold Plate Awards, presented by The Catering Institute of Australia. These awards continue to lift the profile of the Food and Beverage Division at the venues within the industry and community.

The Food and Beverage Division has maintained accreditation as a Gold License Caterer. This program is an initiative of the Restaurant and Catering Industry Association of Employers of WA (Inc), supported by the Health Department of WA and the Australian Institute of Environmental Health.

#### **HIGHLIGHTS**

A cohesive relationship has been formed with WASO's marketing department to identify cross-promotional opportunities for its 2009 season.

#### **MAJOR EVENTS**

Perth Theatre Company's 2009 season launch function was held on stage at HMT in December 2008. The event was attended by many of Perth's arts community.

Food and beverage services were provided in the Corporate Sponsors Lounge during the first 2009 WASO concert, conducted by its new Principal Conductor, Paul Daniel, exceeded all expectations.

## STRATEGIC MANAGEMENT FRAMEWORK

The PTT has contributed to the Government's goals and Government Desired Outcomes. The primary contribution by the Trust has been to the Government's goal and outcome of:

Greater focus on achieving results in key service delivery areas for the benefit of all Western Australians.

### Outcome 1:

A creative, sustainable and accessible culture and arts sector.

This is achieved through the provision of venue management services. The Trust's provision of theatres and programming events provides the opportunity and resources to enhance the cultural and economic life of Western Australians. It provides the community access to cultural experiences.

The Performance Indicators section of this report highlights the number and variety of events and performances and number of attendees to Trust venues during the year.

## Governance and Disclosures

*To govern for all Western Australians in an open, effective and efficient manner that also ensures a sustainable future.*

The PTT operates under the provisions of *the Public Sector Management Act 1994 S7(e)*. In the performance of its functions, the Trust and DCA comply with the following relevant written laws: (State Acts)

- *Equal Opportunity Act 1984*
- *Equal Opportunity Amendment Acts 1988 and 1992*
- *Financial Management Act 2006*
- *Freedom of Information Act 1992*
- *Industrial Relations Act 1979*
- *Lotteries Commission Act 1990*
- *Minimum Conditions of Employment Act 1993*
- *Occupational Health, Safety and Welfare Act 1984*
- *State Records Act 2000*
- *State Supply Commission Act 1991*
- *Workers' Compensation and Rehabilitation Amendment Act (No.2)1992*
- *Workplace Agreements Act 1993*

The DCA provides corporate support and direction to the Trust, under the above-mentioned Acts. The Department's Human Resources is responsible for providing the range of employee and organisational services to the Trust.

The Corporate Assets and Business Support Directorate of DCA provides Finance and Information System support services.

### **Office of Shared Services - Agency Involvement**

The Office of Shared Services (OSS) provide Finance, Human Resource and Payroll services to WA public sector agencies including the PTT.

### **Changes in written law**

There were no changes in any written law that affected the Trust during the financial year.

### **Ministerial directives**

No Ministerial directives were received during the financial year.

### **AGENCY SPECIFIC REPORTING**

Under the *Financial Management Act 2006* and Treasurer's Instruction, a Statement of Compliance has been prepared. The annual report includes the Report on Operations, Performance Indicators, Financial Statements and Auditor General's Opinion.

### **Compliance with Public Sector Standards and Ethical Codes**

Compliance with the Public Sector Standards and Ethical Codes are assessed regularly by the Department's Human Resources area and the Office of Public Sector Standards (in the case of a breach claim).

In accordance with Section 31 of the *Public Sector Management Act 1994*, the following is a report of the extent to which the Department has complied with Public Sector Standards, Western Australian Public Sector Code of Ethics and the Department's Code of Conduct.

In 2008-2009, DCA carried out portfolio wide training on the Code of Conduct including sessions at BOCS Ticketing. Employee feedback was highly positive on training content.

There were no breaches of the Public Sector Standards and Ethical Codes during 2008-2009.

### **Interests of Senior Officers**

In accordance with Treasurer's Instruction 903(3)(x) and Guidelines, which relates to the disclosure of any interest in any existing or proposed contract of senior officers; no senior officer has any interest in contracts with the Perth Theatre Trust.

At the date of reporting, other than normal contracts of employment, no Board members or senior officers, or firms of which Board members or senior officers are members, or entities in which Board members or senior officers have substantial interests, had any interests in existing or proposed contracts with the Trust.

### Equal Employment Opportunity (EEO)

PTT is committed to equity and diversity by encouraging the employment of Indigenous Australians, young people, people with disabilities, people from culturally diverse backgrounds and women.

PTT has participated as a member of the Culture and the Arts Portfolio Equity and Diversity Reference Group. In December 2006 the Reference Group completed the planning, consultation and development for a new portfolio wide *Equal Employment Opportunity and Diversity Management Plan 2007 - 2009* to achieve the objectives under the Government's *Equity and Diversity Plan for the Public Sector Workforce*.

PTT is included in the following DCA representation across the diversity groups as at 30 June 2009 as shown:

Diversity Group	% Representation	Equity Index*
Women	71.4%	83
People from Culturally Diverse Background	10%	38
Indigenous Australians	0%	N/A
People with Disabilities	0%	N/A
Youth (under 25)	3.6%	N/A
Mature Workers	60.7%	N/A
Women in Tier 2 Management	50%	N/A
Women in Tier 3 Management	100%	N/A

\* A measure of the distribution of a diversity group across all classification levels. If the distribution for the diversity group is the same as for all employees in the organisation, then the equity index is 100 (ideal). Equity Indexes are not available for a sample size of 10 or less and for youth distribution as the value is no longer meaningful.

#### Full Time Equivalent

The PTT Full Time Equivalent (FTE) at 30 June 2009 was 39.72.

#### Occupational Health and Safety (OHS)

The PTT is represented by the OHS Committee of the Department for Culture and the Arts.

Managers and supervisors within the Trust's operational structure are accountable for the health, safety and welfare of employees within their area of responsibility. The outsourcing of venue management has not diminished the responsibility of managers and supervisors, with the AEG Ogden (Perth) Pty Ltd management team monitoring and reviewing OHS performance in addition to initiating continuous improvement in this area through compliance with Quality Assurance practices.

Formal mechanisms for consultation with employees on occupational safety and health matters are provided through the Human Resources area of the Department of Culture and the Arts.

The Human Resources area of the DCA and relevant line management staff (or line managers) are responsible for the management of workers' compensation claims. This section reports on compliance with injury management requirements.

The Trust's figures for workers' compensation in the reporting year were:

#### Workers Compensation Information

Indicator	Target 2008/09	Actual
Number of fatalities	Zero (0)	0
Lost time injury/diseases (LTI/D) incidence rate	Zero (0) or 10% reduction on previous year	0
Lost time injury severity rate	Zero (0) or 10% improvement on previous year	0
Percentage of injured workers returned to work within 28 weeks	Actual percentage result to be reported	N/A
Percentage of managers trained in occupational safety, health and injury management responsibilities. *	Greater than or equal to 50%	Not recorded

\* Records are not kept at DCA level for this category.

#### Public Interest Disclosure Legislation

Reporting is no longer required against the Public Interest Disclosure legislation as per the Department of the Premier and Cabinet's Annual Report Framework 2008.

#### Substantive Equality

The DCA conducted a pilot group for Substantive Equality, via the Development and Strategy Directorate in 2007. Issues and recommendations were identified and are currently being reviewed within the current operating environment and for broader application across DCA.

#### Pricing Policies on Outputs

In accordance with TI 903 (4)(x) the Trust has discretion to charge for goods and services subject to Ministerial approval.

## **Disability Access and Inclusion Plan**

In 2006-2007 the Trust reviewed and updated its Disability Services Plan to meet the *Disability Services Act* requirements. This included developing a Disability Access and Inclusion Plan (DAIP) in consultation with the public. The DAIP 2006-2011 is now an accepted plan to assist the Trust to meet the six desired plan outcomes.

The PTT is committed to improving access and equity for all its customer groups and ensuring that people who have a disability or impairment are included, and participate in, the range of services and objectives that the Trust delivers.

The Trust is a member of the DCA's Disability Services Planning Committee comprising all the business support units and Portfolio Organisations of the DCA, together with Disability in the Arts Disadvantage in the Arts Australia (WA) Inc, the Disability Services Commission and two community representatives.

In the reporting year, the PTT continued to progress the development and training of audio description for live theatre performances for the vision impaired. This service has now been offered at PTT venues for selected performances since early 2009.

The following are the current initiatives of the Trust to address the six desired DAIP outcomes:

### **1. Access for people with disabilities to services and events**

Information about the Trust's functions and services is written in clear and concise language and is available in alternative formats. Information is provided on the BOCS Ticketing and venues websites on the specific facilities at venues, such as infra red hearing loops, seating and parking.

Audio description for live theatre performances for the vision impaired was successfully introduced for selected performances.

### **2. Disability access to buildings and other facilities**

No specific building access improvements were carried out in 2008-2009. Building access audits are planned for 2009-2010 for PCH and HMT.

### **3. Information provided in an appropriate format**

Information is available in alternate formats to persons with a disability upon request such as large print and audio cassette.

### **4. People with disabilities receive the same level and quality of service from staff**

The DCA provides disability awareness training to customer service officers and other staff as required. Staff of the Trust attend training sessions. These sessions are delivered to ensure staff are fully aware of and understand the needs of people with disabilities. This type of training is included as a component of the induction session for new employees.

### **5. Opportunity to make complaints**

Complaints from any person, or their advocate, are fully investigated and the outcome is conveyed to them in an accessible format.

## **6. Opportunity to participate in public consultations**

Any public consultations are advertised widely and conducted in accessible venues. Two representatives with disabilities from the community participate as members of the Department's Disability Services Planning Committee. The Trust did not conduct any public consultation sessions in 2008-2009.

### **Report on Recordkeeping Plan**

The Trust's Recordkeeping Plan (FKP) 2004-2009 was approved by the State Records Office in March 2004. This plan identified the steps that will be taken to improve and maintain recordkeeping in the Trust. The Trust reviewed its RKP in April 2009, with the DCA's Information Management unit supporting the Trust with these policies and procedures. The review included development of retention and disposal schedules, revision and implementation of the functional thesaurus, and revision of recordkeeping policies and procedures.

Recording Keeping Plan requirements have been included in induction programs for employees.

### **Corruption Prevention**

The PTT is guided by the Department's Misconduct Fraud and Corruption Framework. Other preventative initiatives followed are: the implementation of the Fraud Prevention and Detection Policy; amendments to the Code of Conduct; and the inclusion of information on fraud and corruption prevention, ethical behaviour, conflict of interest and Contact with Lobbyists Code into the Portfolio's Induction Program.

There were nil Freedom of Information requests for the reporting period.

## Auditor General

### INDEPENDENT AUDIT OPINION

To the Parliament of Western Australia

#### **PERTH THEATRE TRUST FINANCIAL STATEMENTS AND KEY PERFORMANCE INDICATORS FOR THE YEAR ENDED 30 JUNE 2009**

I have audited the accounts, financial statements, controls and key performance indicators of the Perth Theatre Trust.

The financial statements comprise the Balance Sheet as at 30 June 2009, and the Income Statement, Statement of Changes in Equity and Cash Flow Statement for the year then ended, a summary of significant accounting policies and other explanatory Notes.

The key performance indicators consist of key indicators of effectiveness and efficiency.

#### **Trustees' Responsibility for the Financial Statements and Key Performance Indicators**

The Trustees are responsible for keeping proper accounts, and the preparation and fair presentation of the financial statements in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Treasurer's Instructions, and the key performance indicators. This responsibility includes establishing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements and key performance indicators that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; making accounting estimates that are reasonable in the circumstances; and complying with the Financial Management Act 2006 and other relevant written law.

#### **Summary of my Role**

As required by the Auditor General Act 2006, my responsibility is to express an opinion on the financial statements, controls and key performance indicators based on my audit. This was done by testing selected samples of the audit evidence. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion. Further information on my audit approach is provided in my audit practice statement. Refer [www.audit.wa.gov.au/pubs/AuditPracStatement\\_Feb09.pdf](http://www.audit.wa.gov.au/pubs/AuditPracStatement_Feb09.pdf).

An audit does not guarantee that every amount and disclosure in the financial statements and key performance indicators is error free. The term "reasonable assurance" recognises that an audit does not examine all evidence and every transaction. However, my audit procedures should identify errors or omissions significant enough to adversely affect the decisions of users of the financial statements and key performance indicators.

**Perth Theatre Trust**  
**Financial Statements and Key Performance Indicators for the year ended 30 June 2009**

**Audit Opinion**

In my opinion,

- (i) the financial statements are based on proper accounts and present fairly the financial position of the Perth Theatre Trust at 30 June 2009 and its financial performance and cash flows for the year ended on that date. They are in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Treasurer's Instructions;
- (ii) the controls exercised by the Trust provide reasonable assurance that the receipt, expenditure and investment of money, the acquisition and disposal of property, and the incurring of liabilities have been in accordance with legislative provisions; and
- (iii) the key performance indicators of the Trust are relevant and appropriate to help users assess the Trust's performance and fairly represent the indicated performance for the year ended 30 June 2009.

COLIN MURPHY  
AUDITOR GENERAL  
4 September 2009

## CERTIFICATION OF PERFORMANCE INDICATORS

We hereby certify that the Performance Indicators are based on proper records, are relevant and appropriate for assisting users to assess the Perth Theatre Trust performance, and fairly represent the performance of the Perth Theatre Trust for the financial year ended 30 June 2009.

## PERFORMANCE INDICATORS

### Performance Indicator Information

#### Government Goal

The PTT (the Trust) contributes to the achievement of the Government Goal:

Greater focus on achieving results in key service delivery areas for the benefit of all Western Australians.

Government Desired Outcomes:

#### Outcome 1:

A creative, sustainable and accessible culture and arts sector.

#### Outcome 2:

Western Australia's natural, cultural and documentary collections are managed, conserved and accessible.

The Trust is a statutory authority within the Culture and Arts portfolio and Venue Management Services are listed in the 2008-2009 Budget Papers under the portfolio. Key performance indicators have been developed in accordance with Treasurer's Instruction 904 to evaluate the Trust's performance in achieving the Government Desired Outcome and provide an overview of the critical and material aspects of service provision.

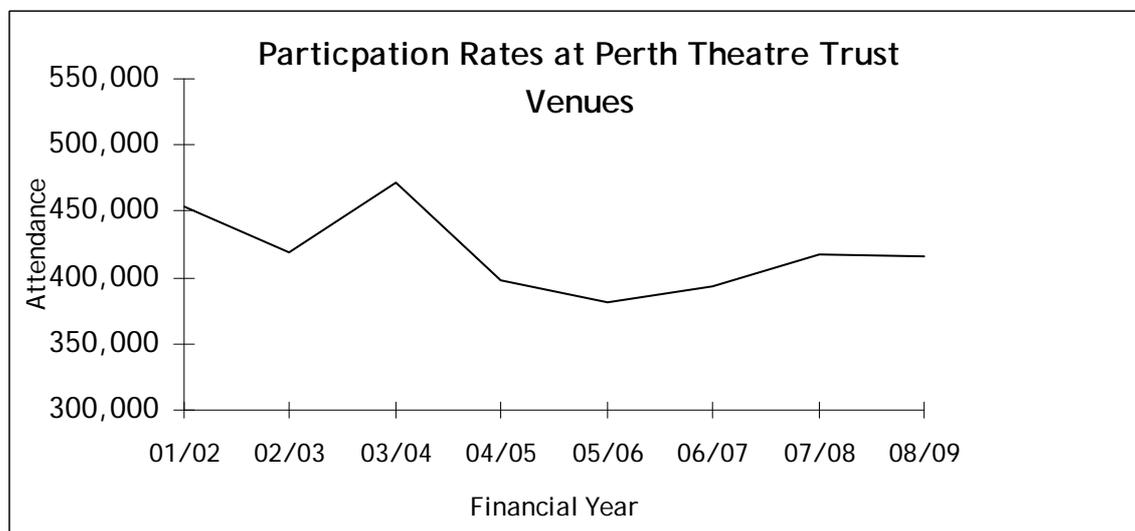

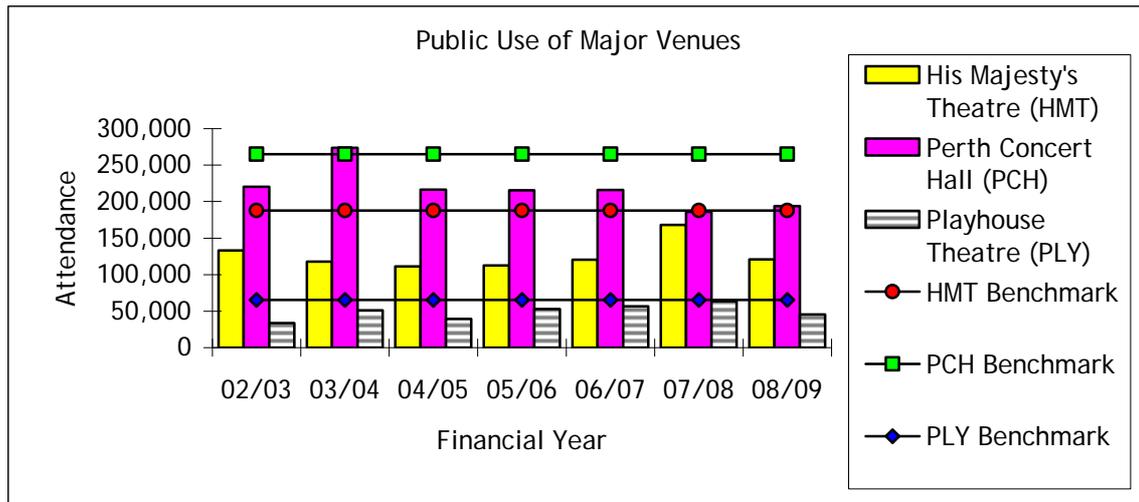

## KEY EFFECTIVENESS INDICATORS

### Indicator 1 - Venue Management Services

#### Measures of Access to the Arts

##### Rationale

The following charts provide access indicators for attendances at performances in PTT venues. While the Trust has only limited influence on either the number of productions and performances presented at its venues or the number of patrons who choose to attend those performances, its aim is to assist presenters to maximise attendances.

#### Public Use of Major Venues - Venue

##### Usage Trend

The number of performances/events across venues was 956 in 2008-2009. This is a decrease in the number of events from last year's figure of 1,139.

## Note 1

### Participation Rates at Perth Theatre Trust Venues

Overall, the attendance rate at PTT venues was 416,067 a decrease in attendances from last year's figure of 455,137.

### EFFICIENCY INDICATORS

#### Key Performance Indicators Overview

The number of events across venues was 956 in 2008-2009. This represents a 16 per cent decrease on last year's events. While a decrease on the actual number of events, the result is greater than estimated 798 events. The global financial crisis impact was less than anticipated for the reporting year.

The decreased number of events resulted in a 8.5 per cent decline in attendance compared to last year.

The table below represents the number of performances at venues managed by the Perth Theatre Trust. These performance measures address the efficiency with which the PTT undertakes work associated in achieving this service.

Measure	2005-06 Actual	2006-07 Actual	2007-2008 Actual	2008-2009 Target	2008-2009 Actual
Number of performances at Trust venues	678	892	1139	798	956
Average cost per performance	\$22,680	\$18,733	\$15,110	\$19,783	\$18,666

## Note 2

a) A total of 956 events were presented at PTT venues against a target of 798 for 2008-2009. The variance for events numbers is due to a higher number of events than expected at all PTT venues.

b) The text in the above table - Average cost per performance has been amended from cost per performance to reflect the text in the Treasury budget papers.

c) The comparative figures for the average cost per performance have been amended to reflect the total cost of service costs for the PTT only.

**PERTH THEATRE TRUST**  
**Notes to the Financial Statements**  
**for the year ended 30 June 2009**

---

**1. Australian equivalents to International Financial Reporting Standards**

**General**

Perth Theatre Trust's financial statements for the year ended 30 June 2009 have been prepared in accordance with Australian equivalents to International Financial Reporting Standards (AIFRS), which comprise a Framework for the Preparation and Presentation of Financial Statements (the Framework) and Australian Accounting Standards (including the Australian Accounting Interpretations).

In preparing these financial statements Perth Theatre Trust has adopted, where relevant to its operations, new and revised Standards and Interpretations from their operative dates as issued by the AASB and formerly the Urgent Issues Group (UIG).

**Early adoption of standards**

Perth Theatre Trust cannot early adopt an Australian Accounting Standard or Australian Accounting Interpretation unless specifically permitted by TI 1101 'Application of Australian Accounting Standards and Other Pronouncements'. No Standards and Interpretations that have been issued or amended but are not yet effective have been early adopted by Perth Theatre Trust for the annual reporting period ended 30 June 2009.

**2. Summary of significant accounting policies**

**(a) General Statement**

The financial statements constitute a general purpose financial report which has been prepared in accordance with Australian Accounting Standards, the Framework, Statements of Accounting Concepts and other authoritative pronouncements of the Australian Accounting Standards Board as applied by the Treasurer's instructions. Several of these are modified by the Treasurer's instructions to vary application, disclosure, format and wording.

The Financial Management Act and Treasurer's instructions are legislative provisions governing the preparation of financial statements and take precedence over the Accounting Standards, the Framework, Statements of Accounting Concepts and other authoritative pronouncements of the Australian Accounting Standards Board.

Where modification is required and has a material or significant financial effect upon the reported results, details of that modification and the resulting financial effect are disclosed in the notes to the financial statements.

**(b) Basis of Preparation**

The financial statements have been prepared on the accrual basis of accounting using the historical cost convention, modified by the revaluation of land and buildings which have been measured at fair value.

The accounting policies adopted in the preparation of the financial statements have been consistently applied throughout all periods presented unless otherwise stated.

The financial statements are presented in Australian dollars and all values are rounded to the nearest thousand dollars (\$'000).

**(c) Reporting Entity**

The reporting entity comprises the Perth Theatre Trust.

**(d) Contributed Equity**

AASB Interpretation 1038 'Contributions by Owners Made to Wholly-Owned Public Sector Entities' requires transfers, other than as a result of a restructure of administrative arrangements, in the nature of equity contributions to be designated by the Government (the owner) as contributions by owners (at the time of, or prior to transfer) before such transfers can be recognised as equity contributions. Capital contributions (appropriations) have been designated as contributions by owners by Treasurer's Instruction (TI) 955 'Contributions by Owners made to Wholly Owned Public Sector Entities' and have been credited directly to Contributed Equity.

Transfer of net assets to/from other agencies, other than as a result of a restructure of administrative arrangements, are designated as contributions by owners where the transfers are non-discretionary and non-reciprocal. See note 29 'Equity'.

**for the year ended 30 June 2009**

---

**(e) Income**

***Revenue recognition***

Revenue is measured at the fair value of consideration received or receivable. Revenue is recognised for the major business activities as follows:

*Sale of Goods*

Revenue is recognised from the sale of goods and disposal of other assets when the significant risks and rewards of ownership control transfer to the purchaser and can be measured reliably.

*Rendering of services*

Revenue is recognised on delivery of the service to the client or by reference to the stage of completion of the transaction.

*Interest*

Revenue is recognised as the interest accrues.

*Service Appropriations*

Service Appropriations are recognised as revenues at nominal value in the period in which Perth Theatre Trust gains control of the appropriated funds. Perth Theatre Trust gains control of appropriated funds at the time those funds are deposited to the bank account or credited to the holding account held at Treasury. (See note 16 'Income from State Government')

*Grants, donations, gifts and other non-reciprocal contributions*

Revenue is recognised at fair value when Perth Theatre Trust obtains control over the assets comprising the contributions, usually when cash is received.

Other non-reciprocal contributions that are not contributions by owners are recognised at their fair value. Contributions of services are only recognised when a fair value can be reliably determined and the services would be purchased if not donated.

***Gains***

Gains may be realised or unrealised and are usually recognised on a net basis. These include gains arising on the disposal of non-current assets and some revaluations of non-current assets.

**(f) Property, Plant and Equipment**

*Capitalisation/Expensing of assets*

Items of property, plant and equipment costing over \$5,000 or more are recognised as assets and the cost of utilising assets is expensed (depreciated) over their useful lives. Items of property, plant and equipment costing less than \$5,000 are immediately expensed direct to the Income Statement (other than where they form part of a group of similar items which are significant in total).

*Initial recognition and measurement*

All items of property, plant and equipment are initially recognised at cost.

For items of property, plant and equipment acquired at no cost or for nominal cost, the cost is their fair value at the date of acquisition.

*Subsequent Measurement*

After recognition as an asset, the revaluation model is used for the measurement of land and buildings and the cost model for all property, plant and equipment. Land and buildings are carried at fair value less accumulated depreciation on buildings and accumulated impairment losses. All other items of property, plant and equipment are stated at historical cost less accumulated depreciation and accumulated impairment losses.

**PERTH THEATRE TRUST**  
**Notes to the Financial Statements**  
**for the year ended 30 June 2009**

---

Where market-based evidence is available, the fair value of land and buildings is determined on the basis of current market buying values determined by reference to recent market transactions. When buildings are revalued by reference to recent market transactions, the accumulated depreciation is eliminated against the gross carrying amount of the asset and the net amount restated to the revalued amount.

Where market-based evidence is not available, the fair value of land and buildings is determined on the basis of existing use. This normally applies where buildings are specialised or where land use is restricted. Fair value for existing use assets is determined by reference to the cost of replacing the remaining future economic benefits embodied in the asset, ie. the depreciated replacement cost. Where the fair value of buildings is dependent on using the depreciated replacement cost, the gross carrying amount and the accumulated depreciation are restated proportionately.

Independent valuations of land and buildings are provided annually by the Western Australian Land Information Authority (Valuation Services) and recognised with sufficient regularity to ensure that the carrying amount does not differ materially from the asset's fair value at the balance sheet date.

The most significant assumptions in estimating fair value are made in assessing whether to apply the existing use basis to assets and in determining estimated useful life. Professional judgement by the valuer is required where the evidence does not provide a clear distinction between market type assets and existing use assets.

*Refer to note 22 'Property, plant and equipment' for further information on revaluations.*

*Derecognition*

Upon disposal or derecognition of an item of property, plant and equipment, any revaluation reserve relating to that asset is retained in the asset revaluation reserve.

*Asset Revaluation Reserve*

The asset revaluation reserve is used to record increments and decrements on the revaluation of non-current assets as described in note 22 'Property, plant and equipment'.

*Depreciation*

All non-current assets having a limited useful life are systematically depreciated over their estimated useful lives in a manner that reflects the consumption of their future economic benefits.

Land is not depreciated. Depreciation on other assets is calculated using the straight line method, using rates which are reviewed annually. Estimated useful lives for each class of depreciable asset are:

Buildings	66 years
Air conditioning upgrades	4 to 25 years
Leasehold improvements	3 to 10 years
Communication equipment	10 years
Computer hardware	3 to 5 years
Furniture, fixtures and fittings	5 to 20 years
Plant and machinery	3 to 10 years
Office equipment	4 to 10 years
Other equipment	4 to 20 years

Works of art controlled by Perth Theatre Trust are classified as property, plant and equipment, which are anticipated to have very long and indefinite useful lives. Their service potential has not, in any material sense, been consumed during the reporting period and so no depreciation has been recognised.

**PERTH THEATRE TRUST**  
**Notes to the Financial Statements**  
**for the year ended 30 June 2009**

---

**(g) Intangible assets**

*Capitalisation/Expensing of assets*

Acquisitions of intangible assets costing over \$5,000 or more and internally generated intangible assets costing \$50,000 or more are capitalised. The cost of utilising the assets are expensed (amortised) over their useful life. Costs incurred below these thresholds are immediately expensed directly to the Income Statement.

All acquired and internally developed intangible assets are initially recognised at cost. For assets acquired at no cost or for nominal consideration, the cost is their fair value at the date of acquisition.

The cost model is applied for subsequent measurement requiring the asset to be carried at cost less any accumulated amortisation and accumulated impairment losses.

Amortisation for intangible assets with finite useful lives is calculated for the period of the expected benefit (estimated useful life) on the straight line basis using rates which are reviewed annually. All intangible assets controlled by Perth Theatre Trust have a finite useful life and zero residual value. The expected useful lives for each class of intangible asset are:

Software <sup>(a)</sup>	4 to 5 years
-------------------------	--------------

(a) Software that is not integral to the operation of any related hardware.

*Computer Software*

Software that is an integral part of the related hardware is treated as property, plant and equipment. Software that is not an integral part of the related hardware is treated as an intangible asset. Software costing less than \$5,000 is expensed in the year of acquisition.

**(h) Impairment of Assets**

Property, plant and equipment and intangible assets are tested for any indication of impairment at each balance sheet date. Where there is an indication of impairment, the recoverable amount is estimated. Where the recoverable amount is less than the carrying amount, the asset is considered impaired and written down to the recoverable amount and an impairment loss is recognised. As Perth Theatre Trust is a not-for-profit entity, unless an asset has been identified as a surplus asset, the recoverable amount is the higher of an asset's fair value less costs to sell and depreciated replacement cost.

The risk of impairment is generally limited to circumstances where an asset's depreciation is materially understated or where the replacement cost is falling or where there is a significant change in useful life. Each relevant class of assets is reviewed annually to verify that the accumulated depreciation/amortisation reflects the level of consumption or expiration of asset's future economic benefits and to evaluate any impairment risk from falling replacement costs.

Intangible assets with an indefinite useful life and intangible assets not yet available for use are tested for impairment at each balance sheet date irrespective of whether there is any indication of impairment.

The recoverable amount of assets identified as surplus assets is the higher of fair value less costs to sell and the present value of future cash flows expected to be derived from the asset. Surplus assets carried at fair value have no risk of material impairment where fair value is determined by reference to market-based evidence. Where fair value is determined by reference to depreciated replacement cost, surplus assets are at risk of impairment and the recoverable amount is measured. Surplus assets at cost are tested for indications of impairment at each balance sheet date.

*See note 24 'Impairment of assets' for outcome of impairment reviews and testing'.*

*See note 2(o) 'Receivables' and note 19 'Receivables' for impairment of receivables.*

**(i) Leases**

Perth Theatre Trust holds operating leases for office accommodation. Lease payments are expensed on a straight line basis over the lease term as this represents the pattern of benefits derived from the leased properties.

**PERTH THEATRE TRUST**  
**Notes to the Financial Statements**  
**for the year ended 30 June 2009**

---

**(j) Financial Instruments**

In addition to cash, Perth Theatre Trust has two categories of financial instrument:

- \* Loans and receivables; and
- \* Financial liabilities measured at amortised cost.

These have been disaggregated into the following classes:

Financial Assets:

- \* Cash and cash equivalents
- \* Restricted cash and cash equivalents
- \* Receivables
- \* Amounts receivable for services

Financial Liabilities:

- \* Payables
- \* Funds held in trust

Initial recognition and measurement of financial instruments is at fair value which normally equates to the transaction cost or the face value. Subsequent measurement is at amortised cost using the effective interest method.

The fair value of short-term receivables and payables is the transaction cost or the face value because there is no interest rate applicable and subsequent measurement is not required as the effect of discounting is not material.

**(k) Cash and Cash Equivalents**

For the purposes of the Cash Flow Statement, cash and cash equivalent (and restricted cash and cash equivalent) assets comprise cash on hand and short-term deposits with original maturities of three months or less that are readily convertible to a known amount of cash and which are subject to insignificant risk of changes in value.

**(l) Accrued Salaries**

Accrued salaries represents the amount due to staff but unpaid at the end of the financial year, as the pay date for the last pay period for that financial year does not coincide with the end of the financial year. Accrued salaries are recognised by the Department of Culture and the Arts. The expense is recognised in the Income Statement of Perth Theatre Trust with a corresponding resource received free of charge.

**(m) Amounts Receivable for Services (Holding Account)**

Perth Theatre Trust receives funding on an accrual basis that recognises the full annual cash and non-cash cost of services. The appropriations are paid partly in cash and partly as an asset (Holding Account receivable) that is accessible on the emergence of the cash funding requirement to cover items such as leave entitlements and asset replacement.

*See also note 16 'Income from State Government' and note 20 'Amounts receivable for services'.*

**(n) Inventories**

Inventories are measured at the lower of cost and net realisable value. Costs are assigned by the method most appropriate to each particular class of inventory, with the majority being valued on a first in first out basis.

Inventories not held for resale are valued at cost unless they are no longer required, in which case they are valued at net realisable value.

*See note 18 'Inventories'.*

**(o) Receivables**

Receivables are recognised and carried at original invoice amount less an allowance for any uncollectible amounts (i.e. impairment). The collectability of receivables is reviewed on an ongoing basis and any receivables identified as uncollectible are written-off against the allowance account. The allowance for uncollectible amounts (doubtful debts) is raised when there is objective evidence that Perth Theatre Trust will not be able to collect the debts. The carrying amount is equivalent to fair value as it is due for settlement within 30 days. *See note 2(j) 'Financial Instruments' and note 18 'Receivables'.*

**PERTH THEATRE TRUST**  
**Notes to the Financial Statements**  
**for the year ended 30 June 2009**

---

**(p) Payables**

Payables are recognised at the amounts payable when Perth Theatre Trust becomes obliged to make future payments as a result of a purchase of assets or services. The carrying amount is equivalent to fair value, as they are generally settled within 30 days. See note 2(j) 'Financial Instruments' and note 25 'Payables'.

**(q) Provisions**

Provisions are liabilities of uncertain timing or amount and are recognised where there is a present legal, equitable or constructive obligation as a result of a past event and when the outflow of resources embodying economic benefits is probable and a reliable estimate can be made of the amount of the obligation. Provisions are reviewed at each balance date. See note 27 'Provisions'.

**(i) Provisions - Employee Benefits**

*Annual Leave and Long Service Leave*

The liability for annual and long service leave expected to be settled within 12 months after the end of the balance sheet date is recognised and measured at the undiscounted amounts expected to be paid when the liabilities are settled. Annual and long service leave expected to be settled more than 12 months after the end of the balance sheet date is measured at the present value of amounts expected to be paid when the liabilities are settled. Leave liabilities are in respect of services provided by employees up to the balance sheet date.

When assessing expected future payments consideration is given to expected future wage and salary levels including non-salary components such as employer superannuation contributions. In addition, the long service leave liability also considers the experience of employee departures and periods of service.

The expected future payments are discounted using market yields at the balance sheet date on national government bonds with terms to maturity that match, as closely as possible, the estimated future cash outflows.

Long service leave entitlements for permanent and casual employees are calculated based on the probability of employees reaching the required full term of 10 years continuous service, payable pro-rata after 7 years.

All annual leave and unconditional long service leave provisions are classified as current liabilities as Perth Theatre Trust does not have an unconditional right to defer settlement of the liability for at least 12 months after the balance sheet date.

*Superannuation*

The Government Employees Superannuation Board (GESB) administers the following superannuation schemes.

Employees may contribute to the Pension Scheme, a defined benefit pension scheme now closed to new members or the Gold State Superannuation Scheme (GSS), a defined benefit lump sum scheme also closed to new members.

Perth Theatre Trust has no liabilities under the Pension or the GSS Schemes. The liabilities for the unfunded Pension Scheme and the unfunded GSS Scheme transfer benefits due to members who transferred from the Pension Scheme are assumed by the Treasurer. All other GSS Scheme obligations are funded by concurrent contributions made by Perth Theatre Trust to the GESB. The concurrently funded part of the GSS Scheme is a defined contribution scheme as these contributions extinguish all liabilities in respect of the concurrently funded GSS Scheme obligations.

Employees commencing employment prior to 16 April 2007 who were not members of either the Pension or the GSS Schemes became non-contributory members of the West State Superannuation Scheme (WSS). Employees commencing employment on or after 16 April 2007 became members of the GESB Super Scheme (GESBS). Both of these schemes are accumulated schemes. Perth Theatre Trust makes concurrent contributions to GESB on behalf of employees in compliance with the Commonwealth Government's Superannuation Guarantee (Administration) Act 1992. These contributions extinguish the liability for superannuation charges in respect of the WSS and GESBS Schemes.

The GESB makes all benefit payments in respect of the Pension and GSS Schemes, and is recouped by the Treasurer for the employer's share.

See also note 2(r) 'Superannuation Expense'.

**(ii) Provisions - Other**

*Employment On-Costs*

Employment on-costs, including workers' compensation insurance, are not employee benefits and are recognised separately as liabilities and expenses when the employment to which they relate has occurred. Employment on-costs are included as part of 'Other expenses' and are not included as part of Perth Theatre Trust's 'Employee benefits expense'. The related liability is included in 'Employment on-costs provision'. See note 9 'Other expenses' and note 27 'Provisions'.

**(r) Superannuation Expense**

The following elements are included in calculating the superannuation expense in the Income Statement:

(i) Defined contribution plans - Employer contributions paid to the GSS (concurrent contributions), the West State Superannuation Scheme (WSS), and the GESB Super Scheme (GESBS).

The superannuation expense does not include payment of pensions to retirees, as this does not constitute part of the cost of services provided in the current year.

The GSS Scheme is a defined benefit scheme for the purpose of employees and whole-of-government reporting. However, apart from the transfer benefit, it is a defined contribution plan for agency purposes because the concurrent contributions (defined contributions) made by the agency to GESB extinguishes the agency's obligations to the related superannuation liability.

Superannuation costs incurred under the venue management contract have been included in the Income Statement.

**(s) Resources Received Free of Charge or for Nominal Cost**

Resources received free of charge or for nominal cost that can be reliably measured are recognised as income and as assets or expenses as appropriate, at fair value.

**(t) Comparative Figures**

Comparative figures are, where appropriate, reclassified to be comparable with the figures presented in the current financial year.

**(u) Department of Culture and the Arts**

The Department provides staff and other support to agencies in the Culture and the Arts portfolio. The Department receives an appropriation for salary costs, superannuation and fringe benefits tax. These resources, provided to the Board, but paid for by the Department, have been treated as "Resources received free of charge" in the Income Statement under the item "Income from State Government".

In addition the Department also provides shared corporate services to Perth Theatre Trust which are not recognised in the Income Statement.

**3. Judgements made by management in applying accounting policies**

The judgements that have been made in the process of applying accounting policies that have the most significant effect on the amounts recognised in the financial statements include:

*- Operating Lease Commitment*

Perth Theatre Trust has entered into a commercial lease for a motor vehicle and has determined that the lessor retains all the significant risks and rewards of ownership of the property. Accordingly, this lease has been classified as an operating lease.

Perth Theatre Trust has operating leases for buildings. The property leases are non-cancellable leases with various terms as detailed below, with rent payable monthly in advance. Contingent rental provisions within the lease agreements require that minimum lease payments shall be increased by the lower of CPI or 3.5% per annum. An option exists to renew the leases at the end of the term.

**Notes to the Financial Statements**  
**for the year ended 30 June 2009**

**4. Disclosure of changes in accounting policy and estimates**

**Initial application of an Australian Accounting Standard**

Perth Theatre Trust has applied the following Australian Accounting Standards and Australian Accounting Interpretations effective for annual reporting periods beginning on or after 1 July 2008 that have impacted on Perth Theatre Trust:

Review of AAS 27 'Financial Reporting by Local Governments', AAS 29 'Financial Reporting by Government Departments' and AAS 31 'Financial Reporting by Governments'. The AASB has made the following pronouncements from its short term review of AAS 27, AAS 29 and AAS 31.

AASB 1004 'Contributions'

AASB 1050 'Administered Items'

AASB 1051 'Land Under Roads'

AASB 1052 'Disaggregated Disclosures'

AASB 2007-9 'Amendments to Australian Accounting Standards arising from the review of AASs 27, 29 and 31 [AASB 3, AASB 5, AASB 8, AASB 101, AASB 114, AASB 116, AASB 127 & AASB 137]; and

Interpretation 1038 'Contributions by Owners Made to Wholly-Owned Public Sector Entities'.

The existing requirements in AAS 27, AAS 29 and AAS 31 have been transferred to the above new and revised topic-based Standards and Interpretation. These requirements remain substantively unchanged. AASB 1050, AASB 1051 and AASB 1052 do not apply to Statutory Authorities. The other Standards and Interpretation make some modifications to disclosures and provide additional guidance, otherwise there is no financial impact.

**Voluntary changes in Accounting Policy**

Perth Theatre Trust made no voluntary changes to its Accounting Policy during 2009

**Future impact of Australian Accounting Standards not yet operative**

Perth Theatre Trust cannot early adopt an Australian Accounting Standard or Australian Accounting Interpretation unless specifically permitted by TI 1101 'Application of Australian Accounting Standards and Other Pronouncements'. Consequently, Perth Theatre Trust has not applied the following Australian Accounting Standards and Australian Accounting Interpretations that have been issued and which may impact Perth Theatre Trust but are not yet effective. Where applicable, Perth Theatre Trust plans to apply these Standards and Interpretations from their application date.

Title	Operative for reporting period beginning on/after
AASB 101 'Presentation of Financial Statements' (September 2007). This Standard has been revised and will change the structure of the financial statements. These changes will require that owner changes in equity are presented separately from non owner changes in equity. Perth Theatre Trust does not expect any financial impact when the Standard first applied.	1 January 2009
AASB 2008-13 'Amendments to Australian Accounting Standards arising from AASB Interpretation 17 - Distributions of Non-cash Assets to Owners [AASB 5 & AASB 110]'. This standard amends AASB 5 Non-current Assets Held for Sale and Discontinued Operations' in respect of the classification, presentation and measurement of non-current assets held for distribution to owners in their capacity as owners. This may impact on the presentation and classification of Crown land held by Perth Theatre Trust where the Crown land is sold by the Department of Regional Development and Lands (formerly Department for Planning and Infrastructure). Perth Theatre Trust does not expect any financial impact when the Standard is first applied prospectively.	1 July 2009
AASB 2009-2 'Amendments to Australian Accounting Standards - Improving Disclosures about Financial Instruments (AASB 4, AASB 7, AASB 1023 & AASB 1038]'. This Standard amends AASB 7 and will require enhanced disclosures about fair value measurements and liquidity risk with respect to financial instruments. Perth Theatre Trust does not expect any financial impact when the Standard is first applied.	1 January 2009

(ii) State Solicitors Office	<u>3</u>	<u>2</u>
	2,005	1,560
	<u>4,970</u>	<u>4,197</u>

(a) Service appropriations are accrual amounts reflecting the net cost of services delivered. The appropriation revenue comprises a cash component and a receivable (asset). The receivable (holding account) comprises the depreciation expense for the year and any agreed increase in leave liability during the year.

(b) Where assets or services have been received free of charge or for nominal cost, Perth Theatre Trust recognises revenues (except where the contributions of assets or services are in the nature of contributions by owners in which case Perth Theatre Trust shall make a direct adjustment to equity) equivalent to the fair value of the assets and/or the fair value of those services that can be reliably determined and which would have been purchased if not donated, and those fair values shall be recognised as assets or expenses, as applicable.

The valuations were performed during the year ended 30 June 2009 and recognised at 30 June 2009. In undertaking the revaluation, fair value was determined by reference to market values for land: \$11,500,000 and buildings was determined on the basis of depreciated replacement cost. See Note 2(f) 'Property, Plant and Equipment'.

His Majesty's Theatre, a heritage listed building, is the only property to which Perth Theatre Trust holds title. A caveat no. D267573 is also registered over the property.

The Playhouse is leased through Perth Diocesan Trustees and expires on 30 June 2010. BOCS Administration is leased through Charter Hall and expires on 30 April 2010. The Perth Concert Hall is leased through City of Perth and expires on 28 February 2014. The leases for Perth Concert Hall and Subiaco Arts Centre are operated under peppercorn rent arrangements. Under the arrangements for these leases, the lessor effectively retains all of the risks and benefits incidental to ownership of the items held under the ownership leases. For all other leases, equal instalments of the lease payments are charged to the Income Statement over the lease term as this is representative of the pattern of benefits to be derived from the leased property.

The motor vehicle lease is non-cancellable with payments made monthly in advance.

These commitments are all inclusive of GST.

**32. Events occurring after the balance sheet date**

Perth Theatre Trust has no subsequent events (other than those whose financial effects have already been brought to account) to report.

**33. Explanatory Statement**

Significant variations between estimates and actual results for income and expenses are shown below. Significant variations are considered to be those greater than 10% or \$100,000.

**(I) Significant variances between estimated and actual result for 2009**

	<b>2009</b>	<b>2009</b>	<b>Variance</b>
	<b>Estimates</b>	<b>Actual</b>	
	<b>\$ 000</b>	<b>\$ 000</b>	<b>\$ 000</b>
Employee benefits expense	9,418	9,592	174
Accommodation expenses	1,732	1,926	194
Loss on disposal of non-current assets	0	12	12
User charges and fees	6,816	7,414	598
Sales	3,670	3,857	187
Service appropriation	3,255	2,965	(290)

Employee benefits expense

The increase over budget was mainly due to casual show wages being greater than expected. This was offset by increased revenue

Accommodation expenses

The increase over budget was mainly due to repairs and maintenance being greater than expected resulting from ageing facilities and increased incidents in breakdown maintenance.

Loss on disposal on non-current assets

The increase in this item resulted from the disposal of several assets during the year that were not fully depreciated resulting in a loss on disposal.

User charges and fees

The increased activity at various venues resulted in this variance.

Sales

The sales of food & beverage at the venues was greater than anticipated.

Service appropriation

The reduction in this item was primarily due to the savings targets set by government from the 2008/09 efficiency dividend.

**(II) Significant variances between actual results for 2008 and 2009**

In the interest of concise reporting, variations between this year and last year that have already been explained in part (i) have not been repeated in this section.

	<b>2009</b>	<b>2008</b>	<b>Variance</b>
	<b>\$ 000</b>	<b>\$ 000</b>	<b>\$ 000</b>
Employee benefits expense	9,592	8,904	688
Loss on disposal of non-current assets	12	0	12
User charges and fees	7,414	8,214	(800)
Sales	3,857	3,977	(120)
Sponsorship	297	366	(69)
Other revenue	311	147	164
Service appropriation	2,965	2,627	338
Resources received free of charge	2,005	1,560	445

Employee benefits expense

The increase in salaries and wages and associated on-costs resulted from the PSGA salary increases, extra staff employed on special projects and from the implementation of part 2 of the salary and wage increase as per the Mercer review.

User charges and fees

The decrease is due to a reduction in ticketing revenue resulting from fewer events ticketed.

Sales

The was a small decrease in the sales of food & beverage at the venues during the year.

Sponsorship

The decrease is due to a reduced level of sponsorship received from His Majesty's Theatre Foundation.

Other revenue

The increase is mainly due to a recoup of previous years maintenance expenditure capitalised in 2009.

Service appropriation

The increase service appropriation is due to additional funding received for the operating costs of the State Theatre Centre and salary increases. This is offset by savings attributed to the Efficiency Dividend.

Resources received free of charge

The increase is mainly due to increased salary expenses resulting from the PSGA pay rise and additional staff employed on special projects.

**34. Financial Instruments**

**(a) Financial Risk Management Objectives and Policies**

Financial Instruments held by Perth Theatre Trust are cash and cash equivalents, restricted cash and cash equivalents, receivables and payables. Perth Theatre Trust has limited exposure to financial risks. Perth Theatre Trust's overall risk management program focuses on managing the risks identified below.

*Credit Risk*

Credit risk arises when there is the possibility of Perth Theatre Trust's receivables defaulting on their contractual obligations resulting in financial loss to Perth Theatre Trust. Perth Theatre Trust measures credit risk on a fair value basis and monitors risk on a regular basis.

The maximum exposure to credit risk at balance sheet date in relation to each class of recognised financial assets is the gross carrying amount of those assets inclusive of any provisions for impairment as shown in the table below and *Note 19 'Receivables'*.

Credit risk associated with Perth Theatre Trust's financial assets is minimal. For receivables other than government Perth Theatre Trust trades only with recognised, creditworthy third parties. Perth Theatre Trust has policies in place to ensure that sales of products and services are made to customers with an appropriate credit history. In addition, receivable balances are monitored on an ongoing basis with the result that Perth Theatre Trust's exposure to bad debts is minimal. There are no significant concentrations of credit risk at balance sheet date.

Provision for impairment of financial assets is calculated based on past experience, and current and expected changes in client credit ratings. For financial assets that are either past due or impaired, refer to table below.

*Liquidity Risk*

Perth Theatre Trust is exposed to liquidity risk through its trading in the normal course of business. Liquidity risk arises when Perth Theatre Trust is unable to meet its financial obligations as they fall due.

Perth Theatre Trust has appropriate procedures to manage cash flows including drawdowns of appropriation by monitoring forecast cash flows to ensure that sufficient funds are available to meet its commitments.

*Market risk*

Market risk is the risk that changes in market prices such as foreign exchange rates and interest rates will affect Perth Theatre Trust's income or the value of its holdings of financial instruments. Perth Theatre Trust does not trade in foreign currency and is not materially exposed to other price risks. Perth Theatre Trust's exposure to market risk for changes in interest rates relates primarily to the long-term debt obligations. Other than as detailed in the Interest rate sensitivity analysis table at Note 34(c), Perth Theatre Trust is not exposed to interest rate risk because it has no borrowings.

**(b) Categories of Financial Instruments**

In addition to cash, the carrying amounts of each of the following categories of financial assets and financial liabilities at the balance sheet date are as follows:

	<b>2009</b>	<b>2008</b>
	<b>\$ 000</b>	<b>\$ 000</b>
<b>Financial Assets</b>		
Cash and cash equivalents	5,086	2,930
Restricted cash and cash equivalents	3,758	4,220
Receivables (a)	6,171	5,511
<b>Financial Liabilities</b>		
Financial liabilities measured at amortised cost	4,670	5,370

(a) The amount of receivables excludes GST recoverable from the ATO (statutory receivable).

**(c) Financial Instrument disclosures**

*Credit Risk and Interest rate Exposures*

The following table details Perth Theatre Trust's maximum exposure to credit risk, interest rate exposures and the ageing analysis of financial assets. Perth Theatre Trust's maximum exposure to credit risk at the balance sheet date is the carrying amount of the financial assets as shown below. The table discloses the ageing of financial assets that are past due but not impaired and impaired financial assets. The table is based on information provided to senior management of Perth Theatre Trust.

Perth Theatre Trust does not hold any collateral as security or other credit enhancements relating to the financial assets it holds.

Perth Theatre Trust does not hold any financial assets that had to have their term renegotiated that would have otherwise resulted in them being past due or impaired.
